PONTE (G1 - G2 - G3)

A diagram of a red trapezoidal bridge structure. The structure is filled with red and has a black outline. It consists of a central rectangular section and two side trapezoidal sections. A horizontal double-headed arrow above the structure indicates a total length of 255 cm and a width of 50 cm. A smaller horizontal double-headed arrow above the central section indicates a length of 60 cm. A vertical double-headed arrow to the left of the structure indicates a height of 20 cm. The text 'PONTE (G1 - G2 - G3)' is centered below the structure.
